

WELCOME TO
LETHAM PARK

A PERSONAL CONNECTION

RENAISSANCE CARE

Feel at home

Welcome to Letham Park Care Home. Our happy home is situated in the Trinity area of Edinburgh, located between the colourful Leith waterfront and tranquil Royal Botanic Gardens.

Offering expert nursing care to 50 elderly residents, we are proud of our warm and positive atmosphere and our personalised approach to care. Our compassionate and skilled team are on hand 24 hours a day, to ensure the safety, wellbeing and happiness of our residents

This intimate home has a warm and cosy feel. It is a place where friendships are fostered and our staff and residents form a genuine bond. Much of Letham Park is newly decorated, providing a bright and welcoming environment in which to relax or to socialise. It boasts pretty, private gardens that are accessible to all residents and two airy conservatories connecting the grounds to the living space.

We put our residents at the very heart of our home. If you would like to experience this for yourself, please feel free to drop in whenever it suits you. You will enjoy the warmest of welcomes.

Make yourself at home

Letham Park is a purpose-built property, specifically designed to support our expert nursing care.

Our home has recently been refurbished with an upgrade to the interior design providing a fresh, new (resident-approved) look and feel. All our 50 bedrooms are single-occupancy and each one has an en-suite bathroom. We encourage our residents to furnish their space with their treasured possessions to make sure they feel completely at home in their own sanctuary.

The shared spaces at Letham Park offer a mix of snug lounges for mingling with friends and family and tranquil enclaves in which to relax quietly with a book. Each floor of our home has its own convivial lounge and dining area, while a cosy café can be found in the newly refurbished garden room. It's the perfect spot for coffee and cake with friends or lingering over lunch with visiting family. Our airy conservatories link us to the charming surrounding gardens which residents enjoy during the warm summer months, connecting with nature whenever possible.

The Letham Park team respect our residents' choices and their independence. Whether they prefer to spend time solo or they're feeling sociable, we're on hand to provide a cup of tea or a chat.

“The team are caring,
hardworking and
responsible. Thank you
for really supporting my
mother so lovingly.”

**A RELATIVE OF A RESIDENT
AT LETHAM PARK**

Compassionate care, skillfully delivered

Our team at Letham Park are committed to maintaining a happy, safe and supportive environment to help residents flourish.

Health and wellbeing underpins our work and our aim is to create a positive home where people thrive. We have an extremely experienced team in place at Letham Park and their focus is always the individual clinical and social needs of all of our residents.

Registered nurses and highly skilled staff deliver round-the-clock nursing and general care, so our residents always feel supported. A local GP visits us regularly and an extensive range of healthcare services can be accessed including vision care, dental care, podiatry and holistic therapies.

Living life to the full

Letham Park's extensive lifestyle and activities programme helps our residents stay active, happy and engaged with the people and communities that matter most to them. We regularly enjoy excursions, trips and events, and we also create in-house activities for residents and relatives to enjoy together. We believe this promotes overall physical, spiritual and emotional wellbeing.

Residents are encouraged to enjoy social time catching up with friends over tea and cake in our café, or pampering themselves at the hairdresser. We love to see our residents participating in joyful and gratifying experiences because these are the moments that fill our home with life and laughter.

Life with more bite

Great food is one of life's pleasures and at Letham Park, we cater for all palates with enjoyment **and** nutrition in mind.

Our skilled kitchen team prepare wholesome meals and delicious treats from scratch, working with residents to ensure there is always something tasty to enjoy that meets their individual needs and tastes, including catering for vegetarians. Menus change regularly and residents are free to enjoy meals with friends in the shared sociable dining rooms or more privately, as preferred.

An in-house laundry service is available for everyone and a newspaper delivery service is also offered, helping residents stay informed and up to date.

Letham Park Care Home

We would welcome the opportunity to show you around our home and introduce you to our remarkable team. Feel free to pop by whenever suits you or contact us to arrange a tour.
