

WELCOME TO TORRY CARE HOME

A PERSONAL CONNECTION

RENAISSANCE CARE

A compassionate home-from-home

Welcome to Torry Care Home – a residence filled with fun and laughter.

A former grand home, Torry has been lovingly transformed into an outstanding care home, boasting 81 en-suite rooms and spacious living areas. The environment has been specifically designed to accommodate residential and nursing care and support.

The team at Torry are passionate about creating a welcoming and supportive atmosphere for residents to thrive in. They love to help residents create memorable moments for families, where quality time together is treasured, and everyone feels safe in the knowledge that clinical needs are provided for.

Our residents are at the very heart of the home and, indeed, the Aberdeen community. Torry enjoys long-standing links with intergenerational community groups, which contributes to an enjoyable and fulfilling lifestyle for all.

Torry's personalised care plans encourage individual choice for all. We place great focus on providing bespoke clinical and lifestyle support, in a friendly atmosphere that ensures we meet resident's needs – wellbeing, social and healthcare.

Our door is always open at Torry. We'd love to welcome you so you can experience the difference for yourself.

Visit Torry Care Home and feel the difference for yourself.

Friendly, welcoming and filled with laughter

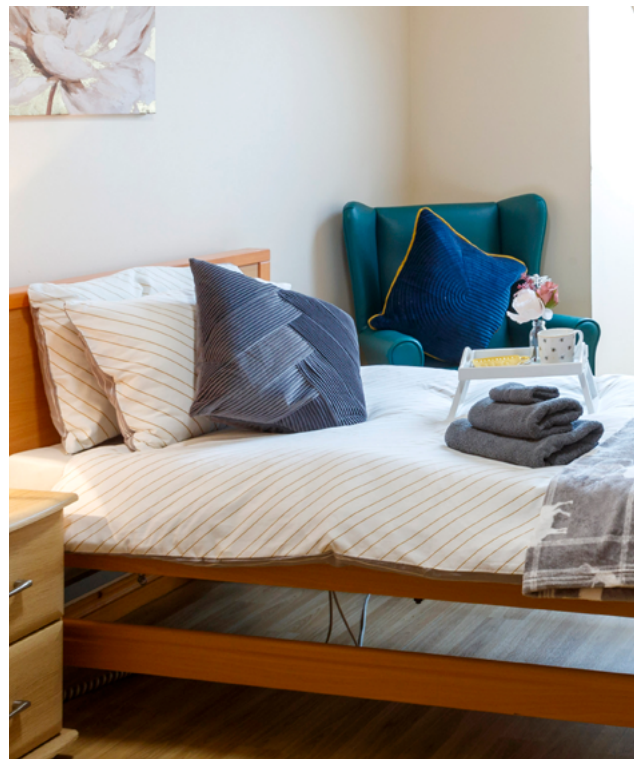

We know how important it is for residents to make their own decisions, so we offer options in all aspects of their time. Residents can relax in their own personal space or choose to mingle in our airy open-plan social areas, all of which have recently enjoyed redecoration to create a light, contemporary feel.

All bedrooms at Torry vary in size and style but all are en-suite. Residents are encouraged to create their own individual sanctuary with favourite furnishings and prized possessions. Creating that home-from-home feel

is crucial and we'll support you and your family, throughout that transition.

The accessible corridors and communal areas are stylish and spacious – perfect for spending time with loved ones or sharing hobbies and interests with new friends. It's always a pleasure for the team to watch new relationships grow and friendships form.

We respect and encourage every resident's independence – and whether they spend time socially or solo, we're always on hand to provide refreshments and social engagement.

“I feel very at
home here. I’m
surrounded by
great people who
support me to live
an enjoyable life.”

TORRY CARE HOME**

Compassionate and respectful care

Our talented Torry team are trained to deliver the very best nursing care with a person-centred approach.

We focus on an individual's wellbeing as well as their clinical care needs, and we understand the importance of supporting residents' lifestyle choices.

There are a minimum of two registered nurses on duty around the clock at Torry and, together

with our skilled care team, we provide nursing and general care of the highest standard. Torry also has links to Holborn Medical Practice who provide a twice-weekly visiting surgery on site. In addition, we have regular contact with a consultant Geriatrician and community psychiatry team.

Wellbeing and lifestyle

We know that participating in stimulating activity promotes positive physical and mental wellbeing for our residents. Torry's full-time activities co-ordinator runs a programme of optional activities and events for residents and their families. We have strong ties to the local area and residents enjoy visiting community groups, trips to church services, local parks, cafes and pubs as well as all kinds of one-to-one activities.

This happy and relaxed atmosphere can be enjoyed throughout Torry and extends to a host of extra services including:

- **Hairdressing**
- **Podiatry**
- **Newspapers**
- **On-site laundry team**

Daily dining experiences

We know mealtimes are one of life's joys and, at Torry we aim to deliver a delicious dining service with choice, variety and nutrition in mind.

Menus are created on the premises by our chefs in collaboration with residents and are refreshed and rotated regularly. Our chefs are proud to prepare a choice of fresh and nutritious food for every meal, including traditional favourites and seasonal treats.

The team caters for all nutritional needs, allergies and intolerances – working with dietitians on nourishing meal plans for each individual.

Residents have the option to dine in sociable dining areas with other guests or enjoy private in-room dining. Friends and loved ones are always welcome to join residents for dinner and mealtimes.

Torry Care Home

We would welcome the opportunity to show you around our home and introduce you to our remarkable team. Feel free to pop by whenever suits you or contact us to arrange a tour.
