A PERSONAL CONNECTION

Connected with care

At Cranford, we extend a heartfelt welcome. More than just a place to live, our home is a vibrant and supportive community where comfort, compassion, and a true sense of belonging come together.

Situated in the heart of Aberdeen's West End, Cranford Care Home enjoys strong links with local cafés, churches, parks, and community spaces – offering residents a lively, well-connected environment.

Cranford Care Home offers 38 ensuite bedrooms across a thoughtfully designed setting, providing residential, nursing, and dementia care. Our home beautifully blends old and new, combining the character of the original building with the light, modern spaces of a purpose-built extension – creating bright communal areas, personalised rooms, and a variety of amenities and activities.

Our passion is to create a welcoming, home-from-home environment while delivering the highest standards of care and support. By taking care of the care, we encourage residents and their families to focus on what matters most – spending meaningful time together, creating special moments and lasting memories, with peace of mind that health and wellbeing are in expert hands.
