Room to relax

Benvie is a spacious, purpose-built home, situated in a quiet residential area and conveniently located for access to local shops, transport and amenities. We enjoy free parking outside our home and are situated just a mile from Dundee town centre, with easy access to the city's attractions, activities and events.

The property itself is organised around our residents' needs and boasts beautiful gardens, elegant rooms and a number of large social spaces. We enjoy plentiful modern amenities, but what's best about our home is the cosy and homely atmosphere throughout. Benvie offers a range of bedrooms of various sizes and styles (all with en-suite facilities), and thoughtfully designed to bring warmth and comfort to residents. We welcome and encourage residents to bring treasured possessions and favourite pieces with them, helping to personalise

their spaces and feel at home in their surroundings.

In addition to our central location, we're proud to offer beautiful, expansive gardens for our residents and their families to enjoy. This serene outdoor space provides the perfect setting to relax in nature, with lovely views, a sparkling water feature, and a lush herb garden that our in-house chefs use for fresh ingredients. Carefully maintained, the gardens are an ideal retreat for unwinding and soaking up the fresh air, offering a peaceful escape on our doorstep.

“I’m so pleased to have found a caring environment for my husband who has dementia. He is contented and well looked after which really puts my mind to rest.”

Recognising that good health and wellbeing starts with balanced nutrition, we ensure that our menus are carefully crafted to provide traditional, home-cooked dishes that are both nourishing and satisfying. Each meal is prepared with the finest ingredients to ensure both flavour and nutrition are at the heart of every bite. Catering for a wide range of dietary requirements, our chefs take pride in using fresh, seasonal ingredients – often sourced locally – and serving wholesome, delicious meals that bring pleasure and homemade goodness to every plate.

We always encourage feedback and if you have any particular favourite meals, we'll do our very best to include in our menu choice.
