CARE

WELCOME

to Riverside Care Home

A PERSONAL CONNECTION

A welcoming & bright residence

At Riverside, we extend a warm and heartfelt welcome to you. Our care home is more than just a place to reside, it's a haven where residents experience comfort, compassion and a sense of belonging.

Situated near the banks of the River Dee, Riverside Care Home is at the heart of the local community and enjoys strong ties to the local cafés, churches and community spaces – like the beautiful nearby Duthie Park.

Riverside Care Home offers an environment specifically designed to provide residential support and nursing care. We have 42 comfortable and accessible en-suite (toilet and basin) bedrooms as well as landscaped gardens and a host of amenities, social spaces and a diverse range of activities.

Our mission is to create an environment that feels like home, while providing the highest standard of care and support. The Riverside team love to help create treasured memories for our residents and their families, safe in the knowledge that health and wellbeing are provided for.

Our door is always open at Riverside. We look forward to the opportunity to welcome you to our home, so you can experience the difference for yourself.

A comfortable and friendly place to be

Riverside Care Home is a warm and sunny, south-facing property built near the banks of the River Dee.

With 42 charming en-suite rooms across three accessible floors, our home is designed to be a place to relax, recharge and call your own. Every floor boasts spacious social areas including serveries, living and dining rooms, as well as secluded, sunny gardens with space for private parties and events. These friendly communal areas are airy and open – perfect for enjoying hobbies and interests with new friends or socialising with family.

We understand that moving can be a significant transition and it's important that your new living spaces reflect your individuality. For that reason, we encourage residents to create their own

personal sanctuary with favourite furnishings and possessions. Our ground floor bedrooms all have French doors which open out onto our garden and gives you an opportunity to extend your personal space. Laundry facilities are all part of the Riverside service too, so with that taken care of, you can just relax and enjoy your stay with us.

Whether residents are spending time relaxing or with friends and family, our team are always on hand to chat and offer refreshments. We pride ourselves on creating that home-from-home feel and we will support you and your family, throughout the transition.

“This is a happy home,
the staff are so
wonderful and I enjoy
spending time with
them, they always
make my day.”

warmth

hearted

The highest standard of care

Our dedicated team of professionals is committed to delivering the very best nursing care with a truly person-centred approach.

We focus on every resident's unique physical, emotional and mental health requirements, putting personal wellbeing, bespoke clinical care and individual objectives at the core of our service.

We offer both long stay nursing care and shorter respite care with the skill and knowledge to support a wide range of medical diagnosis.

Riverside has a team of skilled professionals and registered nursing staff who provide outstanding nursing care and comprehensive support to all our residents. Medical assistance is provided by the resident's doctor or by our local GP where necessary. Additionally, a private chiropodist visits Riverside's residents frequently.

The secret ingredient

Great food always brings people together. Our skilled culinary

team create fresh, nutritious and flavoursome meals using locally sourced ingredients where possible. Our chefs collaborate with dieticians and residents to create an evolving menu accommodating dietary preferences and restrictions. This attention to detail ensures that every meal is a satisfying and enjoyable event.

At Riverside we understand the importance of dining as a social and sensory experience, which is why our communal dining areas are designed to encourage lively conversations and shared moments. Riverside residents have the option to dine in these sociable areas with others or enjoy private in-room dining. Friends and loved ones are always welcome to join residents for dinner – or simply for a cup of tea and a freshly baked treat.

Riverside Care Home

We would welcome the opportunity to show you around our home and introduce you to our remarkable team. Feel free to pop by whenever suits you or contact us to arrange a tour.

The lifestyle you love

Riverside Care Home prides itself on having close ties to the local population and we believe that this sense of community is essential for overall well-being.

Our vibrant social environment is designed to foster connections, encourage friendships, and promote a lively and engaging atmosphere.

Residents can enjoy in a range of activities and events ranging from weekly coffee mornings at the local Holburn Church (only a short distance from our Home) to participation in a nearby dementia café project. If you enjoy a little pampering then our Wellbeing team are on hand to assist you and our hairdresser visits on a regular

basis. If you enjoy literature, ebooks or audio books then we have a visiting library van that allows you to access all the library resources available. Our communal spaces provide the perfect setting for gatherings and conversations, allowing you to form meaningful relationships with fellow residents and staff alike.

We are proud of the warm and happy atmosphere that can be enjoyed throughout Riverside Care Home.
